Abbottabad Public School & College
| 2017 - 2019

Secondary School Certificate (SSC)
Abbottabad Public School & College
| 2015 - 2017

Professional Summary

Skilled Full Stack Developer with 2+ years of experience in designing and developing web applications. Proficient in modern JavaScript frameworks, backend technologies, and cloud platforms. Excellent problem-solving abilities with a focus on user-centered design.

Professional Experience

Full Stack Developer

Developed and maintained full-stack applications using React and Nodejs.

Led a team of 3 developers to implement scalable web applications.

Improved application performance by 20% through code optimization.

Web Developer

Collaborated in a team to develop responsive websites for clients. Integrated third-party APIs and worked on front-end functionality.

Projects

The Shoe Shop

Developed a full-stack e-commerce shoe store using Vite, React, Node.js, and MongoDB. Features include product management, shopping cart, secure authentication, and responsive design. Admins can seamlessly manage product uploads and orders.
